Security-first AI- powered Networking Company

Sonia Casaca

Country Manager
January 30th, 2025

The background is a dark, deep blue space filled with numerous out-of-focus, glowing golden-yellow and white circular bokeh lights of varying sizes. Overlaid on this are several thin, curved lines in vibrant cyan blue and warm orange-gold, some appearing as solid streaks and others as dashed lines, creating a sense of dynamic movement and interconnectedness.

NETWORKING IS AN EVER-CHANGING SPACE

WE ARE IN THE **CHANGE** BUSINESS

SECURITY FIRST

The background of the image is a deep blue with a bokeh effect, featuring out-of-focus light spots in various shades of blue and white. A horizontal band of more intense, slightly blurred light stretches across the middle of the frame. The Juniper Networks logo is centered in the upper half of the image.

JUNIPER[®]
NETWORKS

“We are becoming a networking company at the core...To give customers a more modern, AI-driven experience at the networking level.”

Antonio Neri, to CRN, October 2024

Thank you
